Notes on quantities
Feel free to make your order in kg or lbs, or specify the quantity required – we can work with anything!

Good Housekeeping magazine suggests the following portion sizes for Christmas dinner (You know best about the appetites of your family and guests, but you may find this guide useful).

Roast potatoes	250g per person
Vegetables	80-100g per person per vegetable

Your name:
Contact telephone number:
Which day would you like to collect your order? *Please be aware that the latest orders can be picked up is 12noon on Christmas Eve.*
Any additional requests? Feel free to order anything you've seen in the shop including wines, beers, spirits, juices, soft drinks, teas, coffees, biscuits, jams, crisps and snacks.

Our produce comes fresh from the market so prices and availability can vary. Having a look around the shop will give you a general idea of price. We'll try our very best to get everything that you've requested, but please be aware there's a small chance that some items won't be available, in which case we will try to offer an alternative where possible.
